Mr. Byron Russell  
Chairman and Chief Executive Officer  
Cheney Brothers, Inc.  
One Cheney Way  
Riviera Beach, Florida 33404

Dear Byron:

I am writing this letter in recognition of Cheney Brother's efforts on the kitchen equipment purchase and installation at our new fitness, tennis and aquatic capital improvement project. It is with great pride and pleasure that I recommend Cheney Brothers as Aberdeen Golf & Country Club's preferred kitchen equipment distributor and contractor.

Upon my initial discussions with you, I shared that my objectives were to implement several trendsetting and innovative approaches into our new fitness tennis and aquatics facility while also preserving costs. I would like to commend Tim Wade for not only meeting but exceeding my expectations.

Tim's passion does not justify nor depict the manner in which he always became the catalyst through which all efforts were channeled. He not only provided exceptional leadership, but went above and beyond in his normal course of duties striving to make whatever I wanted the best it could be.

Tim embraced all challenges presented to him with enthusiasm and thoroughness and most importantly, with a positive "can do" attitude. His attention to detail is exceptional and I recognized, in a short period of time, that his reliability, focus and due diligence were always instrumental in achieving the goals and objectives of the team.

Leadership is the cornerstone from which to build, and your commitment to excellence by having individuals such as Tim on your team of professionals has eloquently transcended my visions into reality.

Cheney Brothers exemplifies the standard from which all kitchen equipment distributors and contractors should be compared and it is without hesitation and great pride that I recommend Cheney Brothers to any other organization.

Sincerely,

Michael DiPietro, CCM  
Chief Operating Officer/General Manager

**A TASTE OF THE GOOD LIFE!**
